

**SINCE 1950**

# **Dr. Amin Controllers Pvt. Ltd.**

Testing, Inspection, Quality Control & Certification  
For  
Commodities, Consumer & Industrial Products

# Our History

**Dr. Raman C. Amin**, our late founder, completed his Doctorate in Pharma-Chemistry from the University of Maryland, Baltimore U.S.A. in 1949. On his return to India, he ventured into Quality Testing & Certification services in the year 1950. **Dr. Amin Superintendents & Surveyors Pvt. Ltd.**, headquartered at Mumbai was founded in 1975 as an independent company, thus continuing a professional practice which is today in its seventh decade of dedicated service to the trade & industry, both nationally and internationally.

In 1985 both, **Iteng Engineering Pvt. Ltd.** (IEPL – est. 1956) and **Inspectorate (India) Consulting Engineers Pvt. Ltd.** (IICE – est. 1969) were acquired as running concerns, which allowed for providing Quality Assurance, 3<sup>rd</sup> Party Inspection & Consultancy services to various industries both domestic and international. For the next 21 years the three companies including **Dr. Amin Superintendents & Surveyors Pvt. Ltd.** (DASS) operated as the **RCA Group**.

As of 4<sup>th</sup> of September 2006, the services provided by the above entities have been consolidated under the collective name and style : **DR. AMIN CONTROLLERS PVT. LTD**

Control & Management interest is held within the Amin family.  
The present Board comprises of

**Siddharth R. Amin**

**Vikram R. Amin**

**Dr. Amin Controllers Pvt.Ltd.**

# Where We Are Today

Since its inception, the companies have expanded their base across the country and ventured into new testing and inspection verticals.

With a **nationwide presence of 36 branch offices and laboratories**, the company is one of the largest Indian owned and operated testing and inspection companies in the trade.

**Dr. Amin Controllers** implements **ISO 17020 : 2012** management Systems and is accredited as a **Type A Inspection Body** by **The National Accreditation Board for Certification Bodies (NABCB)**.

Over a **1000+ employees** work tirelessly to ensure the highest quality of service for our clients round the clock. We are proud to be recognised and/or approved members of over **15 national and international based organizations**, as well as serving as Board and/or Committee members.

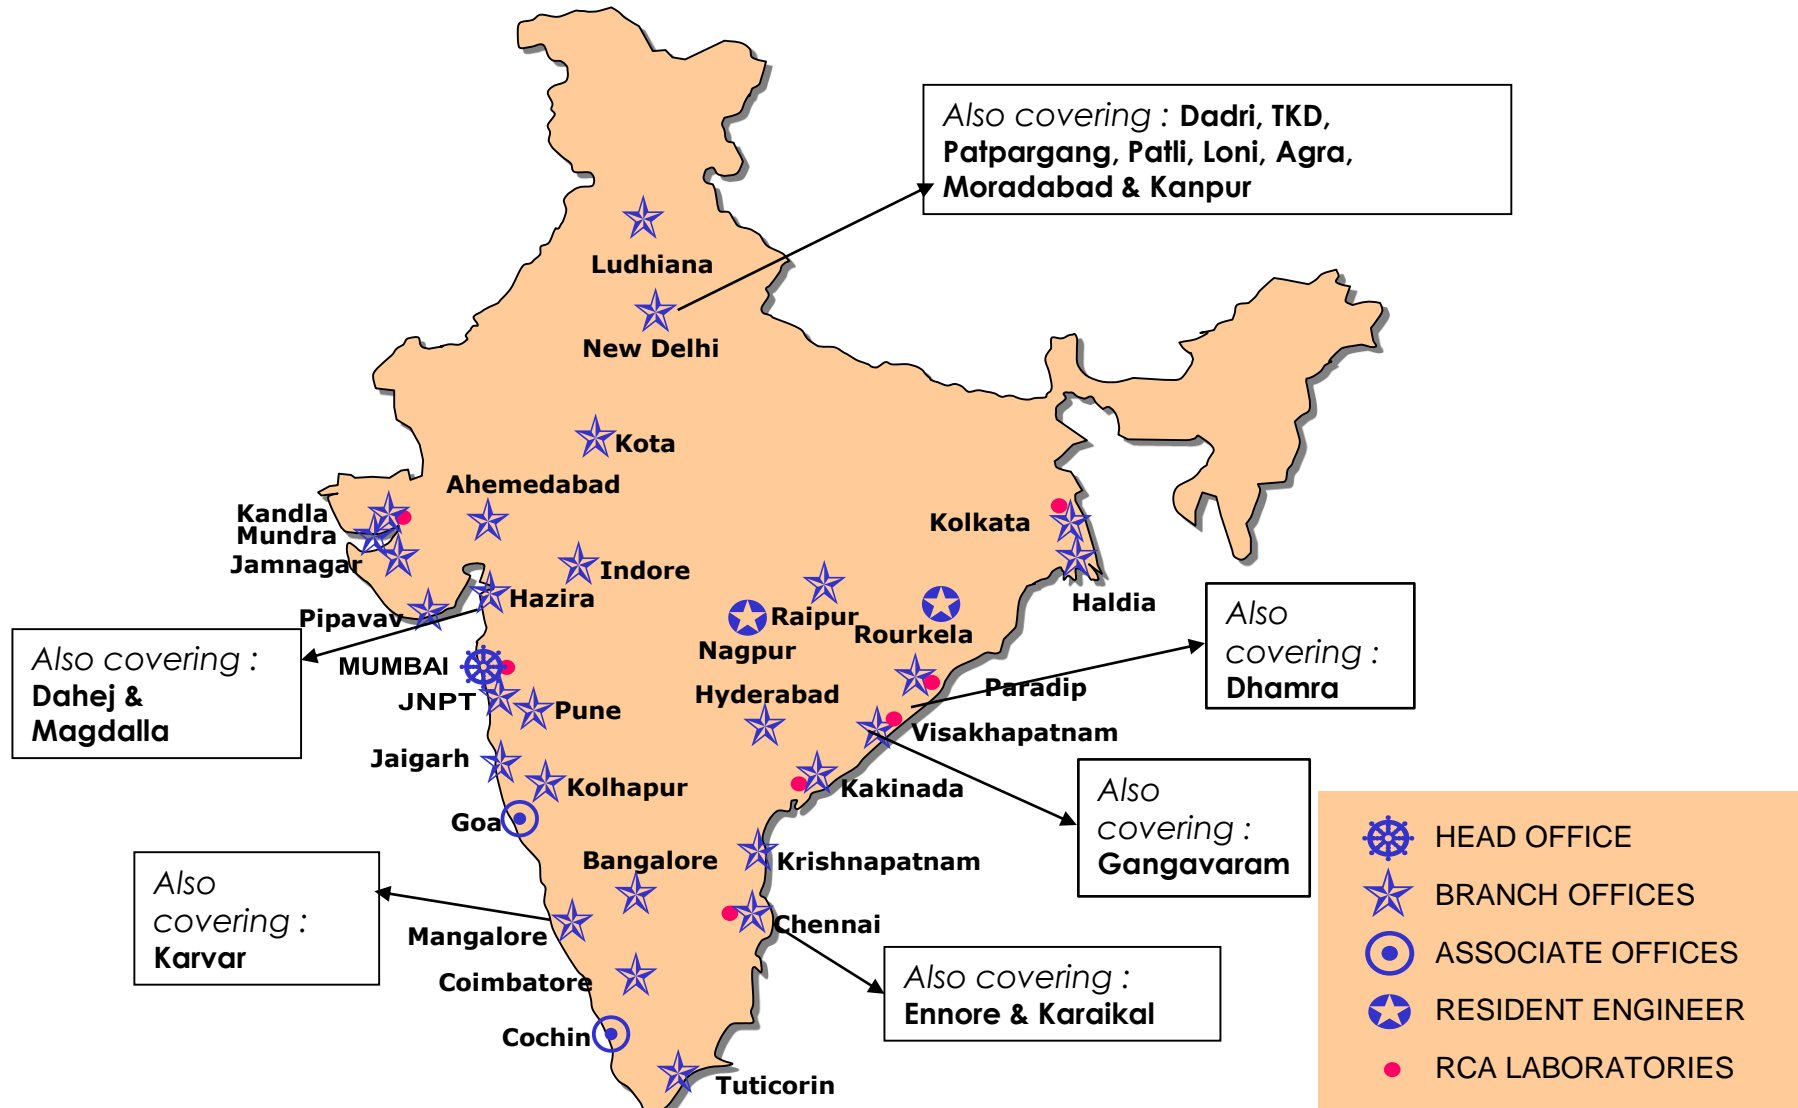

Our vision for the next few decades is to continuously bring efficiency to our delivery of services through integrated digital solutions (our **in house RCAiNET which allows for 24x7x365 reporting and responses**) all whilst retaining our work ethic, integrity and commitment to quality.

**Dr. Amin Controllers** Owns and operates **7 Testing Laboratories** implementing **ISO-17025 : 2018** management systems and are accredited by **National Accreditation Board for Testing Laboratories (NABL)**.
