

SINCE 1950

Dr. Amin Controllers Pvt. Ltd.

Testing, Inspection, Quality Control & Certification
For
Commodities, Consumer & Industrial Products

Our History

Dr. Raman C. Amin, our late founder, completed his Doctorate in Pharma-Chemistry from the University of Maryland, Baltimore U.S.A. in 1949. On his return to India, he ventured into Quality Testing & Certification services in the year 1950. **Dr. Amin Superintendents & Surveyors Pvt. Ltd.**, headquartered at Mumbai was founded in 1975 as an independent company, thus continuing a professional practice which is today in it's seventh decade of dedicated service to the trade & industry, both nationally and internationally.

In 1985 both, **Iteng Engineering Pvt. Ltd.** (IEPL – est. 1956) and **Inspectorate (India) Consulting Engineers Pvt. Ltd.** (IICE – est. 1969) were acquired as running concerns, which allowed for providing Quality Assurance, 3rd Party Inspection & Consultancy services to various industries both domestic and international. For the next 21 years the three companies including **Dr. Amin Superintendents & Surveyors Pvt. Ltd.** (DASS) operated as the **RCA Group**.

As of 4th of September 2006, the services provided by the above entities have been consolidated under the collective name and style : **DR. AMIN CONTROLLERS PVT. LTD**

Control & Management interest is held within the Amin family.
The present Board comprises of

Siddharth R. Amin

Vikram R. Amin

Dr. Amin Controllers Pvt.Ltd.

Where We Are Today

Dr. Amin Controllers Pvt.Ltd.

Since it's inception, the companies have expanded their base across the country and ventured into new testing and inspection verticals.

With a **nationwide presence of 36 branch offices and laboratories**, the company is one of the largest Indian owned and operated testing and inspection companies in the trade.

Dr. Amin Controllers implements **ISO 17020 : 2012** management Systems and is accredited as a **Type A Inspection Body** by **The National Accreditation Board for Certification Bodies (NABCB)**.

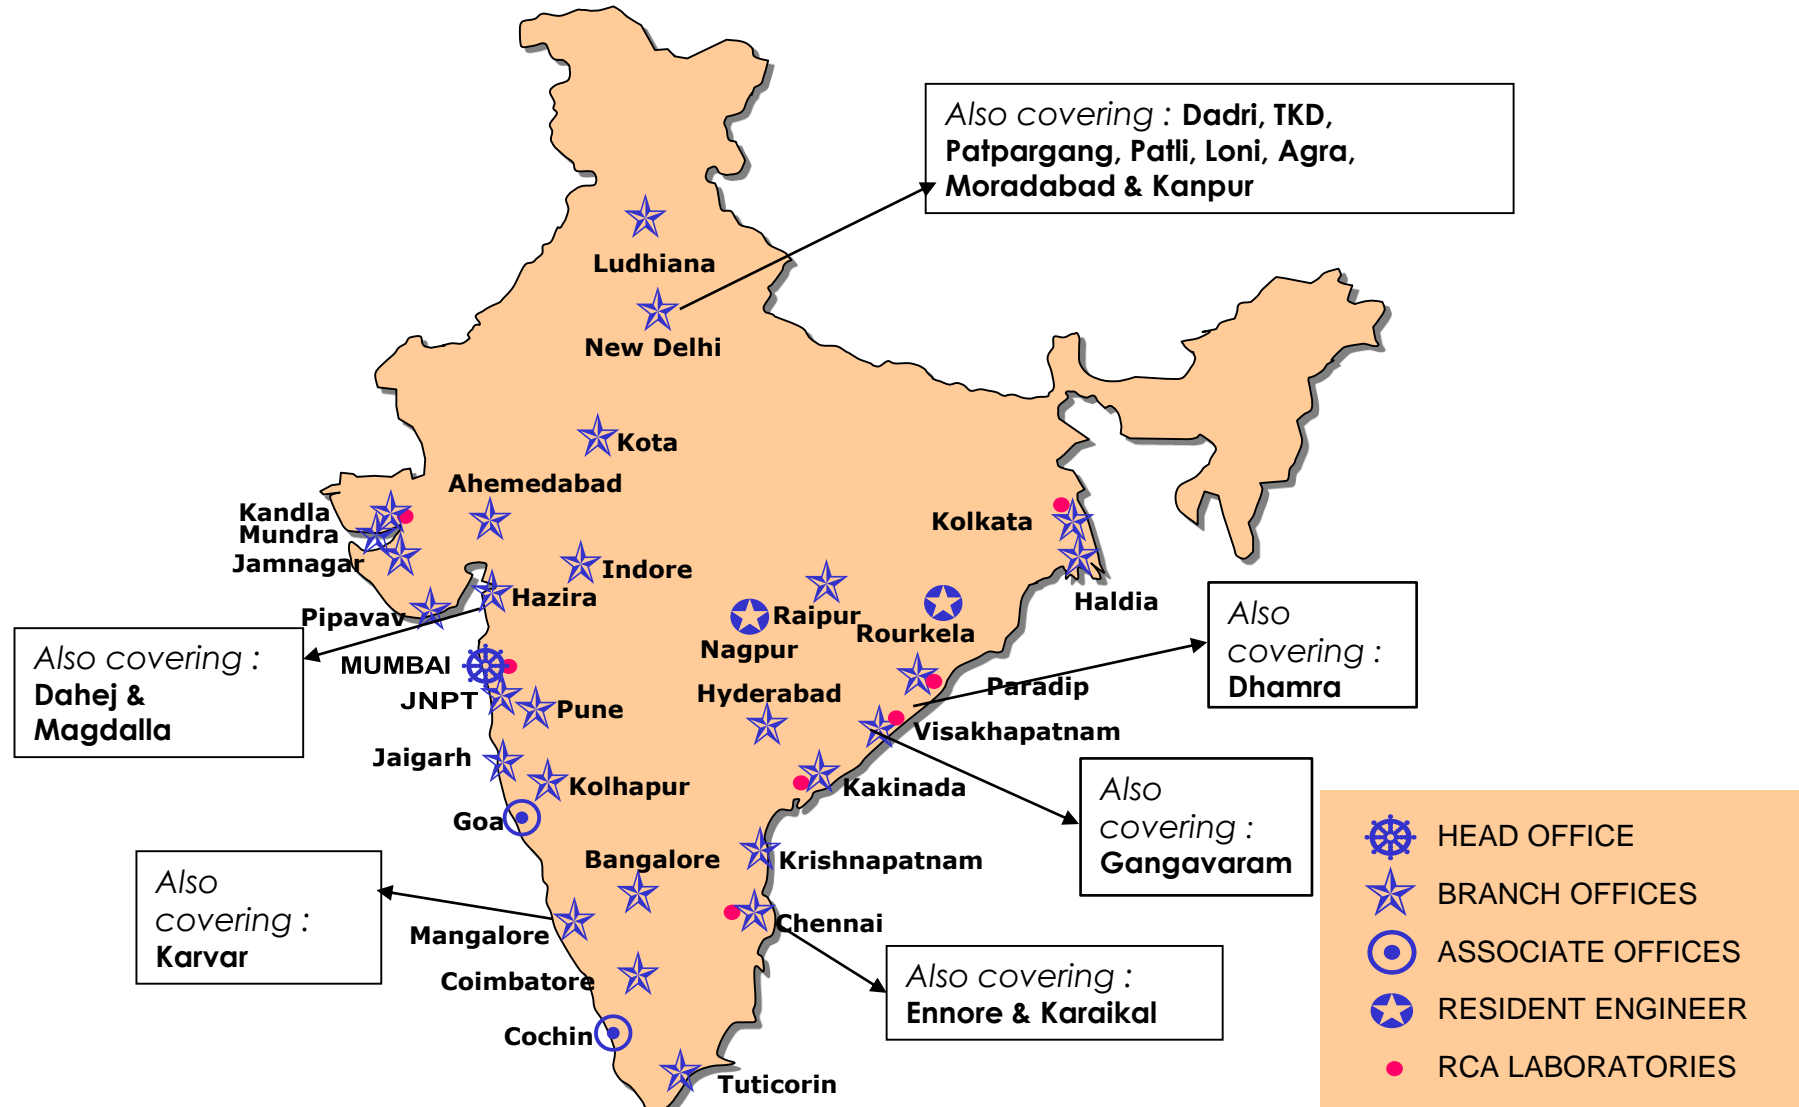

Over a **1000+ employees** work tirelessly to ensure the highest quality of service for our clients round the clock. We are proud to be recognised and/or approved members of over **15 national and international based organizations**, as well as serving as Board and/or Committee members.

Our vision for the next few decades is to continuously bring efficiency to our delivery of services through integrated digital solutions (our **in house RCAiNET which allows for 24x7x365 reporting and responses**) all whilst retaining our work ethic, integrity and commitment to quality.

Dr. Amin Controllers Owns and operates **7 Testing Laboratories** implementing **ISO-17025 : 2018** management systems and are accredited by **National Accreditation Board for Testing Laboratories (NABL)**.
